

# WEST SHORE BUREAU OF FIRE

*First Responders Providing Fire, Emergency,  
Disaster and Rescue Services in Lemoyne and Wormleysburg*

## **"STANDING READY FOR THE FUTURE" CAMPAIGN**

West Shore Bureau of Fire (WSBF) is committed to serving Lemoyne and Wormleysburg. After substantial reflection, a strategic plan calls for the investment of \$2.5 million dollars to build a new facility, and WSBF is embarking on a capital campaign to raise the necessary funds. (See attached statement for additional detail.) We are turning to you and others in our community to carry out this vital plan. The following naming opportunities are available for donors at the gift level indicated.

### **Available Commemorative Opportunities**

#### Name the New Fire Station – \$750,000

The new Fire Station is available to be named for an individual or a family by name.

#### Apparatus Bays – \$350,000

The Apparatus Bay is the heart of the Fire House and will hold four response vehicles.

Other naming opportunities include:

- Training Room \$100,000
- Main Living Quarters and Kitchen \$ 50,000
- Line Officer's Office \$ 25,000
- Main Office \$ 25,000
- Welcome Area and Trophy Case \$ 10,000
- Fitness Room \$ 10,000
- Leadership Offices (2) \$ 10,000
- Private Bunk Rooms (4) \$ 10,000
- Gear and Maintenance Rooms (6) \$ 5,000

*"It's very clear. West Shore Bureau needs a new building. The current firehouse is 100 years old. It has not met the Bureau's day-to-day operating needs for some time, and it certainly will not meet our needs going forward. It's time to make a milestone investment and build a proper new facility."*

**Stacy Gromlich, President  
Lemoyne Borough Council**

Additional naming opportunities are available for those with a specific philanthropic interest. Please let us know. Contributions of any size are welcome, and all gifts of \$5,000 and more will be recognized long-term on facility signage.

*"West Shore Bureau of Fire has been steadfast in serving this community for more than 100 years. The decision to build an up-to-date facility benefits the whole community. This is a vital effort."*

**Tom Martini, President  
Wormleysburg Borough Council**

### ***Please complete your gift form and return with your check to:***

WSBF • 510 Herman Avenue, Suite 3 •  
Lemoyne, PA 17043

Call 717-737-2924

For information, visit [www.wsbf.org](http://www.wsbf.org).

*West Shore Bureau of Fire (WSBF) is conducting a capital campaign entitled, "Stand Ready for the Future."*

*Contributions are intended to carry out the capital project as outlined. Donors are advised that, should insufficient funds be raised to fulfill that plan, WSBF reserves the right to use contributions for capital investments that most nearly carries out its original intent. Naming opportunities are open until reserved with a signed commitment card. Pledges must be fully paid to receive long-term recognition.*
